Dear Ms. Clemons and Mr. Matley:

With this letter, the California Department of Transportation (Caltrans) transmits Administrative Modification No. 27 to the Rural non-Metropolitan Planning Organization area portion of the California 2017 Federal Statewide Transportation Improvement Program (FSTIP).

Administrative Modification #27 modifies the programming of a Grouped Project Listing for Safety Improvements – State Highway Operation and Protection Program (SHOPP) Minor Program. This increases the total funding by \$1.829 million that relies on the State's programming capacity in Federal Fiscal Year (FFY) 19/20 and revises the detailed backup listing of projects. The financial plan will be updated to reflect this change in the next FSTIP amendment.

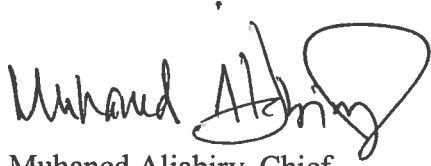

These changes are consistent with the FSTIP Amendment and Administrative Modification Procedures and have no impact on the rural non-MPO financial constraint or air quality conformity. In addition, there are no projects in this administrative modification that are included in any other amendment that is currently open for public review.

Since administrative modifications do not require Federal Highway Administration (FHWA) and/or Federal Transit Administration (FTA) approval, these changes have been incorporated into California's 2017 FSTIP. Please note that the approval of this modification does not constitute an eligibility determination of projects for federal funding.

If you have any questions or comments regarding this modification, please contact Lilibeth Green of my staff, at (916) 654-3521.

Sincerely,

Mr. Vincent P. Mammano/Mr. Leslie T. Rogers
